

AVA 6plus

Flatbed Scanner

The Avison AVA 6plus is a photo, passport and other small-sized document scanner. But don't be fooled by its slender appearance. Thanks to CCD-based image processing components, the AVA 6plus imaging quality is equally superior to that of full-sized models. Its high-speed USB 2.0 data port also saves valuable time in document processing tasks, while preserving the highest quality of processed images.

With the state-of-the-art software application, Button Manager, complex scanning tasks can be completed instantly, linking the scanned image directly to other destinations such as e-mail or a printer.

Features:

- Ideally suited to scanning ID photos
- Scans & sends images to pre-defined destinations pushing a single button

Specifications:

Paper Feeding	Flatbed
Scanning Technology	Colour Charged-Coupled Device (CCD)
Document Size	Max: 105mm x 175mm (4.13in x 6.8in)
Scanning Speed (B/W, A6, 200 dpi)	3.0 sec
Optical Resolution	600dpi
Output Resolution	75, 100, 150, 200, 240, 300, 400 and 600dpi
Output Formats	B/W, grayscale, 24-bit colour
Bundled Software	Avison Capture Tool Avison Button Manager
Interface/Drivers	USB 2.0 / TWAIN, ISIS
Power Supply	Input: 100 ~ 240VAC, 50/60Hz Output: 12V, 1.25A
Power Consumption	<12W
Environmental Factors	Operating temperature: 10°C to 35°C (50°F to 95°F) Operating humidity: 10% to 85%
Acoustic Noise	Standby: <45dB Operating: <58dB
Dimensions (h x w x d)	55mm x 280mm x 160mm (2.17in x 11in x 6.3in)
Weight	0.8kg (1.76lbs)
Recommended Daily Scanning Volume	Up to 1,000 pages

[ppm = pages per minute, ipm = images per minute, cpm = copies per minute, dpi = dots per inch]
